“ Breaaaa, oh Brea. Your loss will affect so many lives. Your family and kids, and all the many friends you made over the years. You always fit right in with all the people you meet. When we get close, you consider everyone family. I will always remember loading all the kids kids up, dropping them off at daycare and rolling to work, listening to The Volumes, and talking about life. You were a good friend, and I appreciate your support during my darkest times. Rest In Peace Breaaaa
