“ Our dear sweetest Gina, my "woman". We have now had to say goodbye to you. Our hearts are broken. I'm certain a few could say that they have now lost their best friend. I, am one of those. You will remain embedded in my heart for the rest of my days. The light and laughter you brought to all of our lives will never fade. It's what you gave to us as a reminder of just how much you loved all of us. We will do our best to carry on in your memory even as painful as your passing is. A warrior of a woman. A gentle lady. A sweet soul. A genuine forever friend. None that loved you

so will go a day without thinking about you in the very fond memories you have left us with. Rest well my dear friend. Till we meet again. Much, much love woman.

“ Gina was like an aunt or like another mom to me. She invited me into her home numerous times when I was a younger boy. Her son and I were great friends and she showed me much love.. Whatever awaits us, I hope it treats her well because she deserves no less.

“ Gina was x girlfriend of mine, back in 1988. Even though were not together, I will still miss her. We've seen each other a couple times during the break up and we also became friends on FACEBOOK. We used to talk all the time, I will always miss her even though were not together...R.IP. GIRL...I still got pictures of you, in my photo albums for remembrance and they'll allways stay...GOODBYE TILL WE MEET AGAIN, You ever seen a grown man cry...

“ So sad to hear of Gina's passing, I will always have fond memories of our escapades as kids and will never forget that summer she spent in the full body cast! She was a tough cookie and made the most of everything. She will be missed. Praying for strength and healing for those she left behind.
