“ I couldn't ask for a better brother-in-law than Jim. He was so easygoing and funny. I have many fond memories of him. Hiking, playing euchre, watching baseball, telling stories, and joking around. I always looked forward to spending time with him. He was a big part of this family and was always helping out with things whenever he could. We all love him dearly and will miss him very much.

“ Jim was and always will be the very best brother-in-law anyone could ever possibly have had. To me he was actually my brother. I never had a brother until he married my sister 35 years ago. I have loved him dearly ever since. He had a kind and gentle soul and was so easygoing and had a playful sense of humor. There were family jokes as a result of things he had done or said that created laughter in our family. He was cherished by his family. A piece of my heart is missing that can never be replaced. Many tears have fallen, but I hope we can all be together again in heaven some day. Jim you are loved and will be missed so very much until then.
